

WIFA's Loan Application Process

1. www.azwifa.gov/application

2. Debt Authorization Requirements

- a. For private, ACC-regulated drinking water systems: obtain approval of a financing application from the Arizona Corporation Commission.
- b. For governmental systems with a population of 50,000 or less:
 - i. Repaying debt through system revenue: obtain approval by resolution of the governing body.
 - ii. Repaying debt through General Obligation (property taxes): obtain approval by bond election.
- c. For governmental systems with a population greater than 50,000: obtain approval by election.
- d. Sanitary districts have special requirements. Please contact WIFA staff for more information.
