For East Slope Water Company  
System Improvements (Storage, Water Main and Booster Station Improvements)

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from East Slope Water Company to install water main and interconnect water lines in various locations throughout the water systems, replace a storage tank, and upgrade a booster station and hydropneumatic tank. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's National Environmental Policy Act (NEPA)-like environmental review requirements.
