

**Notice of Finding of No Significant Impact**  
For the City of Peoria  
Pyramid Peak Water Treatment Plant Expansion Project  
**Public Noticed on January 5, 2017 in the Daily News Sun**

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the City of Peoria for a Drinking Water infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI) under the National Environmental Policy Act.

The City of Peoria proposes to increase capacity of the Pyramid Peak Water Treatment Plant by 15 million gallons per day. New treatment process basins, finished water reservoirs, filter backwash system, backwash recovery basin, chemical feed and storage systems and a solids handling facility will be constructed at the site.

Documentation regarding the proposed project is available for review at WIFA, 100 N. 15th Avenue, Suite 103, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Andrew Smith, Environmental Program Specialist, at (602) 364-1326.
