Notice of Finding of No Significant Impact

For the Buckskin Sanitary District

Buckskin Sanitary District Area 5-6 Wastewater Conveyance & Treatment

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the Buckskin Sanitary District for a Clean Water infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI) under the National Environmental Policy Act.

The Buckskin Sanitary District proposes to design a wastewater conveyance system including two new lift stations, rehabilitation of two lift stations and construction of a new 0.25 MGD wastewater treatment plant to serve Phase 5 & 6 of the District's Southern Planning Area located north of Parker. The Southern Planning Area runs from the Buckskin Wastewater Treatment Plant to the Sundance Resort and the Colorado River to Riverside Drive/Business 95A.

Documentation regarding the proposed project is available for review at WIFA, 1110 West Washington Street, Suite 290, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Andrew Smith, Environmental Program Specialist, at (602) 364-1326.
