

Public Noticed on February 24, 2015 in the Nogales International

Notice of Finding of No Significant Impact

For the City of Nogales

Extreme West Pressure Zone (EWPZ) Storage and Improvements

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the City of Nogales for a Drinking Water infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI) under the National Environmental Policy Act.

The City of Nogales proposes to construct a new 600,000 gallon storage tank; install approximately 1,760 feet of waterline to connect the tank to the existing system; replace the Hospital Booster Station; and replace 2,700 feet of deteriorating waterline in the extreme west pressure zone of the system.

Documentation regarding the proposed project is available for review at WIFA, 1110 West Washington Street, Suite 290, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Melanie Ford, Technical Program Supervisor, at (602) 364-1321.
