Notice of Categorical Exclusion
For Lake Verde Water Company
Arsenic Treatment & Storage Tank Repair

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from Lake Verde Water Company to install an arsenic treatment facility, building, two VFD booster pumps and a 30,000 gallon storage tank. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's National Environmental Policy Act (NEPA)-like environmental review requirements.
