

Notice of Categorical Exclusion
For the Navajo Tribal Utility Authority
Park Estates Distribution Pipelines Replacement
(Arizona Windsong Water System Infrastructure Improvements)
Published in the Navajo Times on July 27, 2017

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the Navajo Tribal Utility Authority to construct 26,000 linear feet of drinking water pipeline to replace the Arizona Windsong distribution system and permanently connect to the Newlands Water System.

The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's environmental review requirements.
