

**Notice of Categorical Exclusion**  
For Truxton Canyon Water Company  
Hualapai 1 Well Conversion  
**Public Noticed on May 26, 2017 in the Kingman Daily Miner**

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from Truxton Canyon Water to replace two old diesel engines with a single electric operated well pump. The Company will also purchase two used natural gas operated on-site generators, complete the electric power line extension to the well site, install a new 6-foot tall chain link fence around the well site, complete on-site wiring and electric equipment installation, and complete on-site piping for the new pumping facilities. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's National Environmental Policy Act (NEPA)-like environmental review requirements.
