For the Town of Wickenburg  
Kerkes/Hassayampa School Stormwater Drainage Improvements:  
Tegner and Coconino Streets

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the Town of Wickenburg to repair, replace and improve its stormwater system in the area of Hassayampa Elementary School. These improvements will intercept and convey flood waters through piping under the road around the school site northwest on Tegner Street and east on Coconino Street and into a short channel to the existing school parking lot.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's National Environmental Policy Act (NEPA)-like environmental review requirements.
