2017 Water System Improvements
Public Noticed in the Arizona Silver Belt on March 29, 2017

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the City of Globe to complete several projects to improve its drinking water system. The project will replace waterlines within pavement or previously disturbed right of way. A booster station will be constructed on a previously disturbed lot and another booster station will be upgraded, within the original footprint. Pine Street Well will be rehabilitated, and residential and commercial water meters will be replaced throughout the City. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's National Environmental Policy Act (NEPA)-like environmental review requirements.
