

WIFA Rulemaking

WIFA is proposing a rulemaking 1) to reflect recent changes to its governing statutes; 2) to reduce the regulatory burden associated with the current rules for the Water Supply Development Fund; 3) to allow WIFA to fund expanded eligibilities resulting from recent changes to the Clean Water Act (Water Resources Reform and Development Act of 2014); 4) and other minor clarifications, grammatical changes, and technical and consistency modifications.
