**Notice of Categorical Exclusion**  
For Horizon Six Improvement District  
Booster Station Analysis and Design

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for technical assistance funding from Horizon Six Improvement District to perform an analysis of the system to identify the most suitable and energy efficient replacement for the existing booster station and provide the design and construction drawings for that replacement. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's National Environmental Policy Act (NEPA)-like environmental review requirements.
