

## Green Project Reserve Incentives Policy

**WIFA Policy #: II.7**

**Purpose:**

*To establish an incentive-based program for WIFA Financial Assistance borrowers and Technical Assistance recipients who are actively integrating energy efficiency, water efficiency/conservation, or green stormwater infrastructure concepts.*

**Policy:**

WIFA Technical Assistance recipients or Financial Assistance borrowers who are actively integrating energy efficiency, water efficiency/conservation, or green stormwater infrastructure concepts into the design or construction of wastewater, drinking water or stormwater systems may qualify for a reduction in local match requirements, additional interest rate subsidies, or forgivable principal.

**Responsibility:** Chief Financial Officer

**Statutory Reference:** A.R.S. Title 49, Chapter 8

**Rule Reference:** A.A.C. R18-15-204 and R18-15-304
