

American Recovery and Reinvestment Act (ARRA) 1511 Certification

Loan Number 91A129-10 – August 28, 2009

Water Infrastructure Finance Authority (WIFA) 1511 Project Certification

The WIFA Chairman of the Board and the WIFA Executive Director certify that this ARRA infrastructure investment of six million four hundred thousand dollars (\$6,400,000) has received the full review and vetting required by law and accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund installation of a new influent sewer, rehabilitation of the existing influent lift station and effluent lift station, relocation and improvement of effluent disinfection facilities and injection points, construction of a 1mgd reclaimed water storage facility and a dedicated booster pump station, implementation and electrical improvements for SCADA control and emergency standby power generation, and construction of a 5,000' outfall force main to the Gila River at an estimated cost of \$8,000,000 for the City of Goodyear. This certification will be posted on www.azwifa.gov which links to recovery.gov.
