Water Infrastructure Finance Authority (WIFA) 1511 Project Certification

The WIFA Chairman of the Board and the WIFA Executive Director certify that this ARRA infrastructure investment of one hundred twenty six thousand dollars (\$126,000) has received the full review and vetting required by law and accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund replacement of the existing reclaimed water pump drives at the Local Borrower's Northwest Water Reclamation Plant with variable frequency drives that can be speeded up or down upon demand at an estimated cost of \$254,844 for the City of Mesa. This certification will be posted on www.azwifa.gov which links to recovery.gov.
