Loan Number 92A171-10 – August 28, 2009

Water Infrastructure Finance Authority (WIFA) 1511 Project Certification

The WIFA Chairman of the Board and the WIFA Executive Director certify that this ARRA infrastructure investment of one hundred sixteen thousand dollars (\$116,000) has received the full review and vetting required by law and accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. This investment will fund replacement of the outdated media and ceramic filter surface water filtration plant with a new innovative microfiltration membrane technology; integration of its surface water filtration source with the shallow groundwater source via telemetry and SCADA controls and develop a water management and operations plan at an estimated costs of \$145,000 for the Rim Trail Domestic Water Improvement District. This certification will be posted on www.azwifa.gov which links to recovery.gov.
