

**Notice of Finding of No Significant Impact**  
Cordes Lakes Water Company  
Cordes Lakes Well No. 7  
**Public Noticed on February 1, 2019 in The Daily Courier**

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from Cordes Lakes Water Company (CLWC) in Cordes Lakes, Arizona for a Drinking Water infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI).

This project will be to develop one new well site in order to address CLWC's current insufficient capacity to meet peak customer demand. The project will include an in-depth hydrological study on two potential sites prior to developing one well at the more productive site. The two sites are both located within the Cordes Lakes community.

Documentation regarding the proposed project is available for review at WIFA, 100 N. 15th Avenue, Suite 103, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Katie Phillips, Environmental Program Specialist, at (602) 364-1324.
