

Notice of Finding of No Significant Impact
For the Cordes Lakes Water Company,
Cordes Lakes Water Supply and System Reliability Improvements
Public Noticed on February 5, 2018 in The Daily Courier

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the Cordes Lakes Water Company for a Drinking Water infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI).

The Cordes Lakes Water Company proposes water system improvements to increase water reliability to meet existing customer water demand. The improvements include storage tank relocations, replacement of a leaking hydropneumatic tank, and drilling of a new production well. The projects will occur in Cordes Lakes Water Company's service area in Cordes Junction, Arizona.

Documentation regarding the proposed project is available for review at WIFA, 100 N. 15th Avenue, Suite 103, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Nicole Petker, Environmental Engineer, at (602) 364-1321.
