

Notice of Finding of No Significant Impact
For the City of Prescott
Sundog Force Main and Lift Station (Phase A)
Public Noticed on May 9, 2017 in the Prescott Newspaper

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the City of Prescott for a Clean Water infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI).

This project involves construction of a lift station at the Sundog Wastewater Treatment Plant and approximately 11,200 feet of 12-inch and 22-inch sewer force main located on City property and State Route 89 right-of-way to a connection point with a sewer main located at the intersection of Lillian Lane and State Route 89 in Prescott, Arizona.

Documentation regarding the proposed project is available for review at WIFA, 100 N. 15th Avenue, Suite 103, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Sara Konrad, Environmental Program Supervisor, at (602) 364-1319.
