

**Notice of Categorical Exclusion**  
For the Pine Creek Canyon Domestic Water Improvement District  
PRV and Isolation Valve Upgrade Project  
**Published on August 8, 2017 in the Payson Roundup**

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the Pine Creek Canyon Domestic Water Improvement District to replace failing pressure release valves (PRVs) in four locations, four underground vaults and 10 isolation valves located throughout the existing main service lines. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION in accordance with the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's environmental review requirements.
