

**Environmental Review Overview of
Design and Construction Projects**

WIFA Policy #: II.2

Purpose:

To determine whether a proposed project meets the criteria for a categorical exclusion or whether it requires preparation of an environmental assessment or an environmental impact statement to identify and evaluate its impacts on the environment.

Policy:

WIFA utilizes federal funding, therefore, proposed design and construction projects financed through WIFA will be subject to a National Environmental Policy Act (NEPA)-like review process to assess the projects' effects on the environment.

Responsibility: Environmental Program Supervisor
